

## Lady Captain's Newsletter

July 2019

### PING 4BBB Stableford

This prestigious competition was held on Tuesday 25<sup>th</sup> June and was won by Chris McEwan and Tracy Taylor with a fantastic score of 45 Stableford points. The top 50 pairs from across the country are invited to the Final on 3<sup>rd</sup> September at Gainsborough Golf Club and the next 50 pairs to the Plate Final on 2<sup>nd</sup> September. Fingers crossed that 45 is one of the top scores. Well done Chris and Tracy.

### Lady Captain's Day

Lady Captain's Day was held on 2<sup>nd</sup> July. Over 25 ladies took part in the Claret Jug and 46 ladies in total took part in the 18 Hole Stableford Competition. The Claret Jug was won by Lesley Hewison, with Caroline Feneley second and Debbie Hirons third. Kath Davies won Nearest the Pin and Nicky Barr won Nearest the Line. Congratulations Ladies!

I would like to mention the fact that Sally Mundy got an Eagle (yes an Eagle!) on the 11<sup>th</sup> hole. Her second shot onto the green rolled into the hole! Amazing achievement – well done Sally!

I would like to thank Bernard for doing the scoring, Kirsty for her amazing cake and Jane Burke for looking after the half way table. For those of you who don't know Jane – she was the first Lady Captain of High Legh Park in 1999 and I met Jane the first day of university in Loughborough in 1978. We have been friends ever since and have lived over the road from each other for the past 30 years!

### Lady Captain's Day 2020

Lady Captain's Day has traditionally been 24 holes using normal stroke indices. However, this disadvantages a number of players who don't receive the correct number of shots. Therefore the committee have taken the decision that this competition will be 27 holes in 2020 – an 18 hole Stableford competition and an additional 9 holes for the Claret Jug.

### Chris Mallion Trophy

The Chris Mallion trophy was held on 9<sup>th</sup> July. We were delighted to welcome Chris' daughter Jess who presented the trophy after a wonderful introduction by Helen Jarvis. The trophy was won by Sarah Hossack, with Judy Sage in second place and Janet Dahlstrom third. Congratulations Ladies!

### Club Championship

The first round of the Club Championship was held on Saturday 20<sup>th</sup> July with windy conditions and most of the bunkers being GUR (except for the 3 which I managed to find sadly!). The final round was held on Saturday 27<sup>th</sup> July and the weather was less than kind and it poured down all afternoon. The overall winner for the third year running was Joan Hughes with a first round gross score of 86 and a second round gross score of 79 giving a total of 165. Congratulations Joan – a great result considering the conditions. Joan has now entered 3 Club Championships and won 3! In Second place was Di Stow. Well done Ladies.

### Team Results

1 <sup>st</sup> July	<b>A Team</b> beat Bramhall (H)
1 <sup>st</sup> July	<b>Friendly Team</b> drew at Bramall Park (A)
